

My student has a vehicle, do I need to purchase a parking permit?

Yes! All motorized vehicles, which are parked in the designated student parking areas, require a parking permit.

Parking permits are \$50 August - May and/or \$25 January - May (**BHS: \$70 for reserved parking space**). **Bring License Plate Number, Make, Model, Year of Vehicle and Valid Insurance Card.**

(Failure to pay the fee and/or display the approved tag shall result in disciplinary action or towing of the vehicle.)
