

# SUPPORT THE CLOTHES CONNECTION AND SUPPLY DEPOT

The Birdville Council of PTAs Clothes Connection and Supply Depot currently provides school supplies, new socks, new underwear, new shoes, and gently used clothing for students in need throughout our district. Over the past few years the needs of our students have grown. We serve families from each BISD campus.

All employees of BISD are being given the opportunity once again to join together in partnership with your local PTAs to support the Clothes Connection and Supply Depot financially. Together, with everyone giving just a little, we can make a BIG difference. This program now receives over \$4,000 per month through your generous donations.

If you would like to contribute to the Clothes Connection and Supply Depot through a payroll deduction beginning in October 2011, please complete the form below and return it to the office in your workplace by October 10, 2011. Council will recognize all campuses achieving 100% participation.

The BISD Payroll Department will administer this program and send the cumulative donation to Clothes Connection on a monthly basis. Your contributions are tax deductible.

Thank you for considering this opportunity to support the Clothes Connection and Supply Depot.

Please return the bottom portion to your campus secretary first. Thank you for your support.
